The following page contains the final YODA Project review approving this proposal.
The YODA Project
Research Proposal Review - Final
(Protocol #: 2020-4323)

Reviewers:
☐ Nihar Desai
☒ Cary Gross
☐ Harlan Krumholz
☒ Richard Lehman
☒ Joseph Ross

Review Questions:                                      Decision:
1. Is the scientific purpose of the research          Yes
   proposal clearly described?
2. Will request create or materially enhance          Yes
   generalizable scientific and/or medical  
   knowledge to inform science and public  
   health?
3. Can the proposed research be reasonably          Yes, or it's highly likely
   addressed using the requested data?
4. Recommendation for this data request:          Approve

Comments:
No additional comments.
Revisions were requested during review of this proposal. The following pages contain the original YODA Project review and the original submitted proposal.
Reviewers:

- Nihar Desai
- Cary Gross
- Harlan Krumholz
- Richard Lehman
- Joseph Ross

Review Questions:

1. Is the scientific purpose of the research proposal clearly described?  
   Decision: Yes

2. Will request create or materially enhance generalizable scientific and/or medical knowledge to inform science and public health?  
   Decision: Yes

3. Can the proposed research be reasonably addressed using the requested data?  
   Decision: Unsure, further clarification from requestor is needed

4. Recommendation for this data request:  
   Decision: Not Approve

Comments:

The researchers do not specify the biomarkers of interest so it is not clear that they will available in these studies.
