Review Questions:

Decision:

- | | |
|---|----------------------------|
| 1. Is the scientific purpose of the research proposal clearly described? | Yes |
| 2. Will request create or materially enhance generalizable scientific and/or medical knowledge to inform science and public health? | Yes |
| 3. Can the proposed research be reasonably addressed using the requested data? | Yes, or it's highly likely |
| 4. Recommendation for this data request: | Approve |

Comments:

This is a nice study proposal. It's unclear why only 1 of the approximately 17 infliximab studies listed on the YODA Project site is being requested. The investigators should be aware that other trials are available that might satisfy their inclusion criteria are also potentially available.
